Babylon Union Free School District  
Attn: Linda Rozzi, Superintendent  
50 Railroad Avenue  
Babylon, NY 11702

Dear Superintendent Rozzi,

I am writing to inform you of a very important program created by an organization supporting families with disabled children. The Special Mom's Network has created a Special Needs Person on Premises Alert Form. This form would be used to assist agencies when responding to an emergency situation involving disabled individuals. It would provide first responders with all necessary information in order to better assist those persons during the emergency.

I respectfully request you provide this information to the parents of disabled children in your school district. I have attached two copies of this form, one in English and one in Spanish. Once the form is completed, copies should be sent to each of the agencies serving the disabled person's home. Additional copy of the forms can be found at [www.specialmomsnetwork.com](http://www.specialmomsnetwork.com).

If you have any questions please do not hesitate to contact Megan Andrews in my District office at (631) 665-2311 or [mandrews@nysenate.gov](mailto:mandrews@nysenate.gov). Additionally, any questions on this form can be directed to Dana DeRuvo Hanner at [dana@specialmomsnetwork.com](mailto:dana@specialmomsnetwork.com).

Sincerely,

  
Phil Boyle  
Member of the Senate
